Books will have a different ISBN number for the softcover version than for the hardcover edition. The ISBN will also vary depending on the country of publication. A popular book that has been reprinted numerous times over the years will have many different ISBN numbers - one for each publication. If you are looking for a specific edition, binding or even cover art of a certain title, knowing the ISBN will be extremely helpful when searching for the book. Here are some different ISBN numbers associated with Pride and Prejudice by Jane Austen:
