Most commentators consider the Song of Solomon to have been written early in his life. Solomon's early godly years were followed by a decline and an extended time in his life when he was not walking with God. Later, towards the end of his life, He apparently returned to close fellowship with God. Ecclesiastes seems to have been written towards the end of Solomon's life to give testimony of the king's searchings for meaning in life. His conclusion is that life only makes sense when God is at the center of all we undertake. The Spirit conveys the fragrance of Christ into the believer as the Christian walks in an intimate relationship with the Lord. "But thanks be to God, who in Christ always leads us in triumph, and through us spreads the fragrance of the knowledge of him everywhere."

Song of Solomon, an Old Testament book that belongs to the third section of the biblical canon, known as the Ketuvim, or Writings. In the Hebrew Bible the Song of Solomon stands with Ruth, Lamentations, Ecclesiastes, and Esther and with them makes up the Megillot, five scrolls that are read on. Encyclopaedia Britannica's editors oversee subject areas in which they have extensive knowledge, whether from years of experience gained by working on that content or via study for an advanced degree.
