Great book for pregnancy and birth! Miranda Castro addresses many issues pregnant women face that most other books do not address. Even if you do not practice homeopathy, this book is a wonderful primer for the mother-to-be. Begins with an intro chapter for those unfamiliar with homeopathy, then has alphabetical lists of "complaints" in pregnancy, labor, and babies, with suggested treatments (both homeopathic and other). Concludes with an index of remedies and the different things you can use them for, to help you choose the right one for each "complaint." More a reference book than one to read. There's no description for this book yet. Can you add one? Subjects. Popular works, Homeopathic treatment, Homeopathic obstetrics, Diseases, Infants, Pregnancy. 1 edition First published in 1993. Add another? Edition. Read. Locate. Buy. 0. Pregnancy - Homeopathy For Women In Homeopathy for Pregnancy, Birth, and Your Baby's First Year, practicing homeopath, Mirando Castro introduces readers to the many safe, effective, inexpensive, and nonmedical remedies that homeopathy has to offer women in this very important period. Labor, Birthing, Homeopathy, Homeopathic Remedies Homeopathy for Pregnancy (Paperback). For the baby: breathing difficulties, chicken pox, constipation, cough, diaper rash, diarrhea, ear infection, hiccups, mumps, sleep problems, teething pains, vomiting. In Homeopathy for Pregnancy, Birth, and Your Baby's First Year, practicing homeopath, Mirando Castro introduces readers to the many safe, effective, inexpensive, and nonmedical remedies that homeopathy has to offer women in this very important period. With reassuring, easy-to-read text, the book explains the principles of homeopathy and tells readers how to select the remedies that correlate to hundreds of common symptoms o
