My Way
Frank Sinatra

And now the end is near and so I face the final curtain. My friend I'll say it clear I'll state my case of which I'm certain I've lived a life that's full I traveled each and ev'ry highway. And more much more than this I did it.

My way My way Yes there were times I'm sure you knew when I bit...
of more than I could chew, but through it all when there was doubt I ate it up and spit it out.

no oh nonot me I did it my way For what is a man what has he got if nothin-
self then he has not to say the things he truly feels And not the words of one who
kneels the record shows I took the blows and did it My way
