Drew Barrymore is an American actress, author, director, model and producer. She is a descendant of the Barrymore family of well-known American stage and cinema actors, and is a granddaughter of actor John Barrymore. Barrymore first appeared in an advertisement when she was eleven months old. In 1980, she made her film debut in Altered States. Drew Barrymore starred in E.T. at the age of six and has gone on to win critical acclaim and the hearts of fans for years in movies such as The Wedding Singer, Ever After, Charlie's Angels, and Grey Gardens, just to name a few. She is the cofounder of Flower Films, Flower Beauty, and Barrymore Wines. She lives with her family in New York and Los Angeles. I really enjoyed this book. It is not a complete memoir—Drew Barrymore is after all the mother of young children and has a lot of life yet to live. Contact Drew Barrymore on Messenger. www.thedrewbarrymoreshow.com. Artist. Getting books into peoples hands. And I can’t even figure out crotchet, but that’s Jonah’s specialty! He has so many attributes and gifts, that’s hard to hit them all. Drew Barrymore has been a favorite of film audiences since her role in the Steven Spielberg blockbuster E.T.: The Extra-Terrestrial in 1982. In the following decades she earned praise from both critics and audiences for her performances in a wide range of comedies and dramas. She has become a major force not only in front of the camera but also behind the scenes, as a successful producer and director under her own Flower Films banner, with such
