Using the Porth-Pontypridd area as its example, it looks closely at the networks of power created by the second-generation middle classes of the Valleys towns, and at the often hair-raising business methods that they used. Close examination of individuals, and of family groups, gives a vivid sense of the reality of the relationships and contacts, and of the nature of the society in which they moved. The Entrepreneurial Society of the Rhondda Valleys, 1840–1920: Power and Influence in the Porth-Pontypridd Region. Richard Griffiths. Copyright Date: 2010. This is the first significant study of the entrepreneurial society created by the Welsh coal boom (most books up to now having concentrated upon the workers and the unions). eISBN: 978-0-7083-2291-8. Subjects: Population Studies. James ("Siamps") Thomas was to become one of the most influential figures in the Rhondda Valleys. His origins, however, were very humble. He is an example of the "rags-to-riches" opportunities that existed for a number of people in the south Wales coalfield in the mid-nineteenth century. Save for Later. Create a List.
