Discourse studies is the discipline devoted to the investigation of the relationship between form and function in verbal communication. This short but rough definition is the point of departure for this book. The definition prompts the following questions:1. What is meant by the relationship between form and function?2. Is it really necessary to have a separate discipline for the investigation of this relationship?Answers to these two questions are given in this section. The aim and structure of this book are discussed in the next two sections. What is meant by the relationship between form an
