It looks like 'first principles thinking' refers to a reductionist point of view. NB. I prefer using the phrase 'fundamental principles' so I use it interchangeably with 'first principles. Image: xkcd: Purity. Now, I am totally for 'first principles thinking' in general because it advocates understanding the fundamental set of rules before applying it to more complex systems and applications. But there seem to be some limitations. facts or fiction The First Amendment of the American Constitution is an example of a first type principle. The Principle of Equ. Continue Reading.
