Blind the Eyes follows our main character Cole—a probation worker in a dystopian society called Refuge which is haunted by dream-eating monsters as Cole herself is haunted by a ghost named Cadence. Cole harbors a very odd obsession with death, which blooms into bizarre visions of dead people’s pasts. The Ending It's very rare I stick with a book this convoluted until the end. Almost every chapter I had a different theory of what was transpiring. Use features like bookmarks, note taking and highlighting while reading Eyes of the Blind (Guardian's Prophecy Book 1).
