A similar book of solicited compilations about dolls is "Enchanted Companions: Stories of Dolls in Our Lives" by Carolyn Michael and Friends. The writing is much better and the text is better presented. If you also like dolls, I would recommend it over "Teddy Bear Stories for Grown-Ups" until something better about teddy bears comes along. Suburban tenements for Dolls of moderate means; kitchens and single apartments for Dolls of the lower classes; capital town residences for Dolls of high estate. Some of these establishments were already furnished according to estimate, with a view to the convenience of Dolls of limited income; others could be fitted on the most expensive scale, at a momentâ€™s notice, from whole shelves of chairs and tables, sofas, bedsteads, and upholstery. There were various other samples of his handicraft, besides Dolls, in Caleb Plummerâ€™s room. There were Noahâ€™s Arks, in which the Birds and Beasts were an uncommonly tight fit, I assure you; though they could be crammed in, anyhow, at the roof, and rattled and shaken into the smallest compass.
