We will account for the revival of a literature on Afro-Argentines, in order to explore whether they reproduce a â€œmaster narrativeâ€ that, through the historical novel, relegates Afro-Argentines into oblivion and/or reduces the group to its stereotypes; or if, on the other hand, these voices can subvert Argentine historiography by positioning this group in a leading role that mirrors the. Around the world, religious minorities are facing violence because of their beliefs. Noting that attacks on places of worship had increased, this year the United Nations declared Aug. 22 as an International Day Commemorating the Victims of Acts of Violence Based on Religion and Belief. Speaking on Aug. 22, 2019, UN Secretary General AntÃ³nio Guterres said, â€œJews have been murdered in synagogues, their gravestones defaced with swastikas; Muslims gunned down in mosques, their religious sites vandalized; Christians killed at prayer, their churches torched.â€ The Conversation followed global events transgression as it relates to literature and individual subjectivity. - Foucault's interest in transgression is explored both individually and culturally â€“ in terms of social repression and limitation. Both literary theorists, Stallybrass and White suggest that the notion of transgression is important to all areas of cultural analysis: history, anthropology, sociology, philosophy etc. While Foucaultâ€™s work heralded the deconstruction of the modern subject, other areas of analysis were similarly brought into question so that the production of identity through negation came to dominate cultural work. The concept of difference will be taken up next week when we look at homophobic violence. Central to Foucaultâ€™s development of a theory of transgression is what has been called: his anti-humanist position.
