Hello, I received your email address from your head teacher a few weeks ago. Reading plays a significant role in students’ academic life. Pretorius (2010) found a strong correlation between students’ reading proficiency and their academic success by explaining that more reading leads to higher grades. However, in the Philippines, reading is often combined with other subjects which means lesser time for students to particularly the use of critical reading strategies (Salisbury University, 2009; Harvard, 2015). You will understand the material better and remember it longer if you write a question for every paragraph or brief section—(para.3). Lastly, Salisbury University (2009) advised that each question should be focused on the main idea, and should be answered with the readers’ own words and not taken from the paragraphs.
