Ready, Freddy! #1: Tooth Trouble Kindle Edition by Abby Klein (Author). Verified Purchase. This book was a great one for my 6 year old son who has 4 wobbly teeth. He loves all the Ready Freddy books we have ordered thus far but this one has a connection to him. We have to read it at least once a week, and most likely until one of those teeth fall out. I love the illustrations in each chapter. Read more. Ready, Freddy! #1: Tooth Trouble and millions of other books are available for Amazon Kindle. Learn more. Books. It's Freddy Thresher, a first grader who knows it's a jungle out there. A new chapter book series written by an elementary teacher who's seen it all! Freddy Thresher has a problem: a really, really, big problem. He's the only one in his class who hasn't lost a tooth! All of the other students in Mrs. Wushy's first grade have signed their names on the Big Tooth, and Freddy's determined to get his name on it, too. So when Max "The Meanie" Sellars calls Freddy a baby, Freddy decides he's going to lose that tooth one way or another, even if it mean Ready, Freddy! #1: Tooth Trouble Paperback â€” 1 August 2004 by Abby Klein (Author), John McKinley (Illustrator). 4.3 out of 5 stars 90 ratings. He is the celebrated illustrator of the Ready, Freddy! series. He and his family live in Northern California. No customer reviews. I am a 1st grade teacher who began reading these books to my kids this year. I own about 14 of the books in this series and have read most of them. I just finished book 12 I believe and I am officially burnt out on these things. Freddy is not a great role model for kids. He talks back to his parents constantly, lies to their faces, whines incessantly, and gets away with whatever he wants. A Ready Freddy Book Study Packet.
