As Rites of Passage makes clear, effectively preaching baptisms, weddings and funerals requires that the homilist know well both the Word of God and those to whom he preaches. To preach in a way as to be heard and understood, with particular attention to language and ritual, the homilist must take into consideration both the culture and context of those gathered in any given situation. Authentic evangelization leading to missionary discipleship is always founded on the Good News of Salvation and the Incarnation of Jesus Christ. The ritual marks the passage from child to adult male, each subgroup having its customs and expectations. Social and cultural anthropology. v. t. e.
