It includes an international survey of ancient cultural traditions, and details the medieval phenomena of witch hunts that still have resonance in modern society. It analyzes the ancient traditions of shamanism, the witches of the classical world and African witch doctors, together with the development of witchcraft in popular European culture. Gorgeously illustrated book chronicling Witchcraft through the ages! Love this so much! With so many New Age/Pagan/Wicca/Witchcraft books on the market these days it's hard to know which one to buy/read. This book definitely stands out as being a general yet comprehensive overview (with an incredibly gorgeous slideshow). If you want to go more in-depth than I suggest looking for a book specifically geared towards your area of interest (Astrology, Tarot, Meditation, etc.). Read more. One person found this helpful.
