
Oil! is a novel by Upton Sinclair, first published in 1926-27 and told as a third-person narrative, with only the opening pages written in the first person. The book was written in the context of the Harding administration’s Teapot Dome Scandal and takes place in Southern California. It is a social and political satire skewering the human foibles of all its characters. Oil! book. Read 644 reviews from the world's largest community for readers. In Oil! Upton Sinclair fashioned a novel out of the oil scandals of the Hardi... Â Upton Sinclair fashioned a novel out of the oil scandals of the Harding administration, providing in the process a detailed picture of the development of the oil industry in Southern California. Bribery of public officials, class warfare, and international rivalry over oil production are the context for Sinclair's story of a genial independent oil developer and his In Oil! Upton Sinclair fashioned a novel out of the oil scandals of the Harding administration, providing in the process a detailed picture of the development of the oil industry in Southern California. This book is the inspiration for the Academy Award-nominated film, There Will Be Blood, starring Daniel Day-Lewis. As he did so masterfully in The Jungle, Pulitzer Prize-winning author Upton Sinclair interweaves social criticism with human tragedy to create an unforgettable portrait of Southern California’s early oil industry. Â At the center of the novel are an oil developer and his son. As the story moves forward, the divide between father and son grows until the young man is fighting the very industry that brought his father great success. Sinclair’s glorious 1927 epic endures as one of our most powerful American novels of social injustice. Oil!: a novel. Item Preview. There is No Preview Available For This Item.Â comment 0.
