Making Auctions Pay: Buying and Re-Selling For Profit From Regional Auction Houses
Below is a guide to working the Auction House; how to make tons of wicked cash off it. On the AH, there are several distinct ways to earn gold. Each of them requires a different play style and level of understanding. It is important to choose those which match your strengths and preferences in order to excel. Farming. Farming is the simplest and most guaranteed way to make gold. It comprises using gathering professions (Mining, Herbalism, Skinning, Fishing) to gather trade goods and then sell them on Buying a home at auction can be risky, but if you have some know-how you may be able to score the perfect house for 50% off. The first step in preparing to buy a house at a trustee auction is to go down to the auction and see what the atmosphere is really like. Each county’s auctions are run a little bit differently, and you’ll want to know the ins and outs of the auction in your particular area long before bidding. Pick out one week and go to the auction every morning. Hard money can be risky, but if you can afford to make those payments and you think you’ll sell the property fairly quickly, it can work. If You Want to Live In the Home. It would never be worth it to use hard money to buy a house that you’re going to live in thought, since the hard money loans are short-term and high interest. Although foreclosure auctions follow local rules, there are some universal challenges you’ll face no matter where you shop for foreclosed properties. Here’s how to solve them. Solutions to 6 common foreclosure auction challenges. You can safely assume there’s something wrong with any house sold at a foreclosure auction, so cover yourself by bidding no more than 70% of the home's market value. Challenge: You need to figure out the market value of the house to prepare your bid. Then, buying the home is just like buying any other house. You can buy an owner’s title insurance policy so you know the house is free of liens; you can get a home inspection to check for needed repairs; and you’ll have plenty of time to line up your financing.
