The new and updated seventh edition of Political Geography once again shows itself fit to tackle a frequently and rapidly changing geopolitical landscape. It retains the intellectual clarity, rigour and vision of previous editions based upon its world-systems approach, and is complemented by the perspective of feminist geography. The book successfully integrates the complexity of individuals with the complexity of the world-economy by merging the compatible, but different, research agendas of the co-authors. This edition explores the importance of states in corporate globalization, challenges Book[Bookflare.net] - Political Geography World-Economy, Nation-State and Locality, Seventh Edition.pdf. 9.43 MB. Torrent Downloaded from Glodls.to.txt.Â– This edition explores the importance of states in corporate globalization, challenges to this globalization, and the increasingly influential role of China. It also discusses the dynamics of the capitalist world-economy and the constant tension between the global scale of economic processes and the territorialization of politics in the current context of geopolitical change. The chapters have been updated with new examples â€“ new sections on art and war, intimate geopolitics and geopolitical constructs reflect the vibrancy and diversity of the academic study of the subject.
