Comparative Literature at Louisiana State University is an interdisciplinary program that encourages students to approach literary studies from multiple perspectives. The Ph.D. program is built around a core curriculum grounded in the history of literary criticism and theory. With the guidance of faculty, students develop their own degree plans and research agendas, meant to combine the study of literature, literary theory, language, philosophy, art, history, and other cultural phenomena in exciting, fruitful, and innovative ways.

Program Strengths. As an interdepartmental program, Comparative ... Comparative Literature welcomes articles that explore important issues of literary history not confined to a single national literature. We also encourage submi...Â We also encourage submissions that address significant problems in literary theory. Our editors and editorial board are sympathetic to a broad range of theoretical and critical approaches. Journals in English Literature 2021 : e and literature are many. But, very few of the top journals only indexed by Scopus wiely.Â English Language and Linguistics, published three times a year, is an international journal which focuses on the description of the English language within the framework of contemporary linguistics. The journal is concerned equally with the synchronic and the diachronic aspects of English language studies and publishes articles of the highest quality which make a substantial contribution to our understanding of the structure and development of the English language and which are informed by a knowledge and appreciation of linguistic theory.
