Maxims and Opinions, Moral, Political and Economical, with Characters, from the Works of Edmund Burke (Volume 1) Paperback â€“ 1 February 2012 by Edmund Burke III (Author). I conceived that the true character of those plans would be best collected from the committee appointed to prepare them. I thought that the scheme of their building would be better comprehended in the design of the architects than in the execution of the masons. As to the people at large, when once these miserable sheep have broken the fold, and have got themselves loose, not from the restraint, but from the protection, of all the principles of natural authority and legitimate subordination, they become the natural prey of impostors. When they have once tasted of the flattery of knaves, they can no longer endure reason, which appears to them only in the form of censure and reproach. Maxims, opinions and characters, moral, political and economical by Edmund Burke, 1811, Printed for Scatcherd and Letterman, and Sharpe and Hailes edition, in English - 2nd ed. Benefits of donating. Edmund Burke (/ˈbÉœÆrk/; 12 January [NS] 1729 â€“ 9 July 1797) was an Irish statesman, economist, and philosopher. Born in Dublin, Burke served as a member of parliament (MP) between 1766 and 1794 in the House of Commons of Great Britain with the Whig Party after moving to London in 1750. Burke was a proponent of underpinning virtues with manners in society and of the importance of religious institutions for the moral stability and good of the state. These views were expressed in his A Vindication of
