This is a list of fictional badgers. Badgers are short-legged omnivores in the weasel family, Mustelidae. The personality and behavior of the real badger has greatly informed the development of personality and characteristics of the badger character in fiction. Specifically, authors of fictional works employing badgers have often emphasized their natural reclusive privacy and their ferocity and courage when protecting themselves (this aspect drawing its origins from the early tradition of badger-baiting). The Year of the Badger is different, it is a dystopian future that is just around the corner, all this could easily happen in our lifetime, many of us could become The most terrifying book you'll ever read!!! There are a lot of dystopian books about, some are grim like 1984, some are full of zombies and some have games for hungry people. The common thing about those books is that any possibility of them happening are way, way in the future, that means you can sit down and enjoy reading the book. The Year of the Badger is different, it is a dystopian future that is just around the corner, His book pays tribute to the 'Badger Army', those many individuals from all walks of life who turned out to protest and importantly, once culling started, to protect the badgers out in the field. Those people will be patrolling the countryside, day and night, in every area where badger killing is taking place this autumn.Â Over the next 13 years in Whitehall and Brussels he worked on issues ranging from marine environment protection to organic agriculture. In 2000 he left the public sector for the Food and Drink Federation, where he became an expert on the environment and healthy eating trends. In 2008 he was appointed chief executive of the Crop Protection Association, the trade body for the UK plant science industry. Read unlimited* books and audiobooks on the web, iPad, iPhone and Android.Â â€”Badgersâ€™ are becoming their own class. An unmovable, unenviable, and unpaid class. The never-ending cycle of low-paid work and high-cost living has one particular badger on the edge. With WorkPlace now the only means of employment, and offering no hope for improvement, he encounters friends in the same position, all resolute for change. The country is abandoning the poor and stigmatising those on welfare, but no more will they stand aside. Voices need to be heard, people need to help, and it not them, then who?
