"The last great heave of war," according to Churchill, took place with the crossing of the Rhine in 1945. No invading army had crossed this great river since Napoleon's in 1805 and the task fell to Field Marshal Montgomery's 21st Army Group. Opposing them were the forces of a failing fascist regime, including battalions of old men and boys, strengthened by several formations of crack troops including paratroopers and Panzer Grenadiers. With an elaborate description of the combined Allied attack, second in magnitude only to the Normandy invasion, this book charts the history. Product Information. In The Allies on the Rhine Skrjabina describes the coming of the Allies to the Rhineland, the occupation, and the first clear signs of the recovery of war-shattered Germany. She describes what occurred and how it was interpreted at the time by a keen observer who had lived under Soviet, Nazi, American, and French rule. She describes the first chaotic days of the occupation when instead of the calm and peace expected as a remit of the American advance, there was fearful chaos. She shows clearly that as the main allied forces moved on there was no real law and order and that 1945-1950 By the summer of 1945 Europe was very different to the Europe that had existed at the start of World War Two in September 1939. The Stalin had wanted the Allies to start a second front in 1943 to take some of the strain off his forces on the Eastern Front. This, the Allies claimed, was not possible. Stalin got it into his mind that the Allies were deliberately allowing the USSR to take on the might of two-thirds of the Wehrmacht in Eastern Europe. Such a military campaign, he believed, would leave the USSR so weakened once the war was over that the Allies would have major military superiority over the Soviet Union almost immediately hostilities ceased. This distrust also came out in the war conferences that were held during the war conferences that were held during Start by marking “The Allies on the Rhine, 1945/1950” as Want to Read: Want to Read saving… Want to Read.
