Corporate Governance: Law, Theory, and Policy Carolina Academic Press, 2004
9780890895702 509 pages U-il Chu, Thomas W. Joo 2004

Corporate Governance: Law, Theory and Policy, edited by Thomas W. Joo (Carolina Academic Press 2004), this excellent reader on corporate governance presents a cross section of mostly academic perspectives on important current issues, including: the role of the corporation, balancing interests, state and federal law, shareholder litigation, criminal and regulatory law, shareholder voice, board composition, director duties in corporate takeovers, executive compensation, and corporate lawyers as gatekeepers. Many of the articles are modern classics by authors well known to readers. Corporate governance scholarship has been considerably enriched over the past decade as more scholars have begun to ask how governance problems vary across organizational contexts. Scholars seeking to understand and build on those deel Hardback (2011). The collected papers provide an excellent start in critiquing traditional agency theory by beginning Hardback (2010). List price Â£179.00. Corporate Governance: Principles, Policies, and Practices, by Bob Tricker. Oxford, UK, Oxford University Press, 2009. 431pp. These results strongly suggest that the corporate governance and ownership characteristics are linked, directly or indirectly, to basic political configurations in the wealthy West. European structures, for example, may link more tightly to Europe's late 20th-century politics than to technical institutions, and the technical institutions may derive from late 20th-century politics as much as anything else. Corporate governance is the collection of mechanisms, processes and relations used by various parties to control and to operate a corporation. Governance structures and principles identify the distribution of rights and responsibilities among different participants in the corporation (such as the board of directors, managers, shareholders, creditors, auditors, regulators, and other stakeholders) and include the rules and procedures for making decisions in corporate affairs. Corporate governance is Corporate Governance book. Read reviews from world's largest community for readers. This anthology of recent scholarship on corporate governance has been...
