
With service in mind: Concepts and models for service learning in psychology. Washington: American Association for Higher Education. Character development through service learning and experiential learning. Service learning is the blending of service and learning goals in such a way that the two reinforce one another. It connects student service with traditional classroom instruction, learning, and reflection. Service learning is a philosophy of education, as well as a service to the community. With Service in Mind: Concepts and Models for Service-Learning in Psychology (AAHE's Series on Service-Learning in the Disciplines) Robert G. Bringle and Donna K. Duffy, volume editors Edward Zlotkowski, series editor. C 1998 American Association for Higher Education. All rights reserved. A detailed introduction to service-learning as a generic concept. For material of this nature, the reader is referred to such texts as Kendall's Combining Service and Learning: A Resource Book for Community and Public Service (NSIEE, 1990) and Jacoby's Service-Learning in Higher Education (Jossey-Bass, 1996). I would like to conclude with a note of special thanks to Robert Bringle and Donna Duffy, the coeditors of this Psychology volume.
